Hi Michael and Jae,

Please go to the white brick building on the north side of the property. You can pull in the gate where the security small trailer is. We will meet you in the conference room. I am concerned with the photos you wish to take but we can discuss further at the Facility. I was hoping to provide you a complete tour of the facility however based on time restriction lets focus for this visit just SDS.

We will provide the Safety Orientation prior to our walk through.

Looking forward to your visit, please call my cell if you have any questions ,219.746.8713.

Respectfully,

Tita

Subject: Tomorrow's site visit

Tita,

Jae Lee and I will be at the site between 8:45-9:00 am tomorrow. We will leave EPA at 8:00 am.

Which building do we report to?

I will have a camera to take photos at SDS1/SDS2. Please let us know if you will make a CBI claim for all photos or only some. In the case of the latter, I may avoid areas that are considered proprietary.

I must wrap up no later than 11:00 am, and preferably a little sooner as I have a doctor's appointment and need to be back in the office by 12 noon.

Is a safety orientation needed prior to entering the facility?

Thank you,
Michael
